COUNCIL ACTION: Approved on 5/20/2008 - Ord. No. 18097-05-2008

DATE: Tuesday, May 20, 2008
LOG NAME: 55AMDALLPAVGNT

REFERENCE NO.: **G-16145

SUBJECT:

Approve Additional Funding in the Amount of \$91,298.00 from the Federal Aviation Administration to Construct Airfield Pavement Rehabilitation, Construct Airport Beacon Relocation and Replace Airfield Signage at Fort Worth Alliance Airport; Authorize the Use of Land Credits in the Amount of \$4,805.16 and Adopt Appropriation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

1. Authorize the City Manager to approve additional funding in the amount of \$91,298.00 from the Federal Aviation Administration to construct airfield pavement rehabilitation, construct airport beacon relocation, and replace airfield signage at Fort Worth Alliance Airport;
2. Authorize the use of land credits in the amount of \$4,805.16 for the City's in-kind local match of 5 percent of the project cost; and
3. Adopt the appropriation ordinance increasing estimated receipts and appropriations in the Airports Grant Fund by \$96,103.16 subject to receipt of the grant.

DISCUSSION:

On April 8, 2008, (M&C G-16099) the City Council approved the City Manager to accept, if awarded, a grant from the Federal Aviation Administration (FAA) for various improvements at Alliance Airport in the amount of \$800,000, and the City's 5 percent in-kind local match of \$42,105.26, making the total project \$842,105.26. Each year Fort Worth Alliance Airport is eligible to receive Airport Cargo Entitlement and Non-Primary Airport funds from the FAA based on the amount of cargo activity from the previous calendar year and discretionary dollars available in the airport improvement program.

The amount of entitlement and non-primary airport money available to Alliance Airport was increased from \$800,000 to \$891,298 shortly after the approval of M&C G-16099, thereby creating the need to increase the authorized funding. The City's five percent in-kind local match was increased from \$42,105.26 to \$46,910.42 making the total project \$938,208.42.

Upon receipt of a grant from the FAA, these Airport Cargo Entitlement and Non-Primary Airport funds will be used to:

1. Construct Airfield Pavement Rehabilitation (Runway and Taxiway Shoulders, Full and Partial Depth Repairs);
2. Construct Airport Beacon Relocation; and

3. Replace Airfield Signage.

Fort Worth Alliance Airport is located in COUNCIL DISTRICT 2.

FISCAL INFORMATION/CERTIFICATION:

The Finance Director certifies that upon approval of the above recommendations, receipt of the grant award, and adoption of the attached appropriation ordinance, funds will be available in the current capital budget, as appropriated, of the Airports Grant Fund.
